NOTES

Blanc de Gris is one of our rising stars. The Rendition R.3 is a balanced blend between Pinot Gris (75%) and Chardonnay (25%) yielding a complex wine. The Chardonnay acts to contain the Pinot Gris body and weight on the palate. After harvest, both primary and malolactic fermentation took place in concrete eggs. Once dry the wine was racked into neutral barrels where it aged for 6 months before tirage bottling. The profile of the R.3 Blanc de Gris is complex with a nose of yellow flowers, roasted almonds, and savory cream. The complexity continues on the palate with dancing bubbles contrasted by a smooth weighted finish. Expressions of white chocolate with fleshy fruits, floral tones, and candied zest linger during the experience.
