## TIRRIDDIS

### 2022 PINOT BLANC

SINGLE VINEYARD

Rider Family Vineyard is planted in the heart of Selah, Washington just outside the boundary of the Yakima Valley AVA. Unprotected by the Rattle Snake Mountains, Rider Family Vineyard is south facing at over 1,300ft in elevation. This higher elevation combined with intense crosswinds from the northwest make this the perfect site for cooler climate grape varieties such as Zweigelt, Pinot Gris, and Pinot Blanc. Rider Family Vineyard represents a uniquely Washington opportunity to move, incorporate, and thrive within a family farm setting. To support that identity, Tirriddis is proud to showcase Rider Family Vineyard with an expressive sparkling wine from Pinot Blanc. The 2022 vintage was cool and dry, offering longer ripening for slow profound flavor development. Pinot Blanc grown at Rider developed later than all other grapes Tirriddis undertook in 2022.

NOTES

ANALYSIS

100% 2022

The first Tirriddis Pinot Blanc project proudly features Rider Family Vineyard.

Alcohol: 11.83%

100% Pinot Blanc

The winemaking lends to a fresh expression of Pinot Blanc offering a clarity to the unique nature of the vineyard. The Rider Pinot Blanc opens with aromatics of fresh pear skin and waxy citrus rind. Apart from 2022 being

Total Acids: 7.0g/L

100% Rider Family Vineyard

an exceptionally great vintage for sparkling wine, this Pinot Blanc is built to age showing it's special designation by a rounder body carried by a pure mineral acidity. Fermented in concrete

Malic Acid: 1.8g/L

Selah, Washington

with no malolactic fermentation, a clean edge delivers this sparkling gracefully to a long finish.

Acetic Acid: 0.2g/L

100% Columbia Valley

pH: 3.12

CO<sub>2</sub>: 11026
